Education is an important aspect of human life. How we receive and translate it into our daily way of life is quite largely dependent upon the way it gets passed on.Now accepted in SSCI (Web of Science’s Social Sciences Citation Index) Impact Factor: 1.791 (2019) The Journal of Educational Change publishes important ideas and evidence of educational change. It investigates how men and women, older and younger teachers, students, parents, and others experience change. Educational leaders change their existential and social field in the educational society. Educational leaders wield power, while they aim to serve, and educational leadership assumes power. Educational leaders struggle within their conscious being, and change from one modality of leadership to another over time. James MacGregor Burns (1978 Sexual abuse is sexual activity or behaviour that is imposed, or is likely to be imposed, on a child/young person by another person. Select this decision tree if you are concerned/worried that a child/young person has been sexual abused or is at risk of sexual abuse; or a child/young person may be sexually harming another child/young person or a child/young person's ...administration: [noun] performance of executive duties: management.Offers a balanced critique of transformational leadership from an international perspective. Frick, William C. 2009. Principals' value-informed decision making, intrapersonal moral discord, and pathways to resolution: The complexities of moral leadership praxis.
